If your child(ren) need their device from school in order to complete work, please send them with any adult that *has your permission* to obtain their device. Devices will be distributed at *Door T*, just off of our main parking lot, **Friday, March 20, 8:00 a.m. - 3:30 p.m.** At this time, this is the only scheduled date and time to obtain devices. We encourage you to pick up your child's device in the unanticipated event that this crisis and shutdown should impact us beyond spring break. In the event you are unable to obtain your child's device on Friday, March 20, from 8:00 a.m. - 3:30 p.m., please contact Dr. Emily Betz, Director of Curriculum, Instruction, and Assessment (see below for contact information).
