Dear Armada Area School Families,

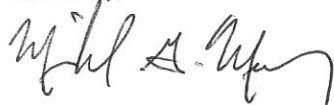

We are now in week 3 of school closures due to COVID-19. It is highly probable that Governor Whitmer will be issuing an executive order soon to close school buildings for the remainder of the 2019/20 school year. Details of the order are still being finalized in Lansing, but high school seniors are expected to graduate if they are on pace to do so. Students in grades kindergarten through 11th grade will most likely advance to their next grade at the beginning of the 2020/21 school year, as long as they were on pace to advance before the shutdown.

The order is also expected to require Michigan Schools to provide some form of remote learning for students through the remainder of the school year. It is unclear whether that learning would involve grades or be mandatory for students. As soon as the order is release to the public, we will be able to make plans for the rest of the school year.

Thank you for your patience during these unprecedented times. By working together, we will all get through this crisis.

If you have any questions, ideas, or concerns, my door is usually open. For now, you can reach me at [mmusary@armadaschools.org](mailto:mmusary@armadaschools.org). Please stay safe.

Sincerely,

Michael G. Musary, Ed.S.  
Superintendent of Schools
