

COVID-19 UPDATE

As a result of the governor's executive orders, Rush City Schools will implement our Distance Learning Plans beginning Monday, March 30 through May 4, 2020. Per our Governor's orders, the tentative plan is for students to return to school on May 5, 2020. Please [click here](#) or go to our Rush City webpage for up-to-date information about our Distance Learning Plans.

We are working through the process of distributing instructional materials to families who have requested delivery, and hope to have this system in place within the next few days. If you have requested this service, we will be reaching back out to you with approximate drop off dates and times. The drop locations will be focused around current bus stop locations. For families who need to pick up materials at the school, we will also be posting times on our webpage with that information as soon as possible.

If you have instructional questions, please feel free to reach out to your child's teachers. You may click [HERE](#) to access our staff directory.

We will continue to provide meals for families who have requested this service. The plan is to deliver those meals on Monday of each week. The package will include a week's worth of breakfast and lunch for school-aged children. For information about this service, please email our Food Service Supervisor, Mrs. Dawn Richard at drichard@rushcity.k12.mn.us

We will also continue to provide childcare for students of parents who work in one of the Emergency Occupations per the Governor's orders. Childcare is provided for enrolled Rush City students 12 years of age or younger, who need this service as a last resort. For information about this service, please contact Mr. Lee Rood at lrhood@rushcity.k12.mn.us

During this time of uncertainty, there are some things in which we can be certain. We have a group of Rush City School employees who are willing to do whatever it takes to continue to create global citizens who are lifelong learners.

Please don't hesitate to reach out to us with any questions or concerns that you may have.

Sincerely,
William Campbell
