

## COVID-19 UPDATE

Rush City Community,

We are so proud of the wonderful job you all are doing during this time of uncertainty and change. There of course have been challenges, but together our educators, students, and families have met this challenge. We are proud to have our first week of Distance Learning behind us and look forward to moving on.

We are thankful for the work that our Food Service Department and other staff are doing by providing meals for families. This week we handed out 1,680 breakfasts and lunches. If your family has not been able to take advantage of this service, and you would like to pick up meals, please reach out to [drichard@rushcity.k12.mn.us](mailto:drichard@rushcity.k12.mn.us).

We also appreciate the work of our Transportation Department staff. They continue to provide support for our students and families via food deliveries, instructional packets, and other special services.

Our administration continues to work tirelessly. We continue to look for ways to do things better to ensure that we are creating global citizens who are lifelong learners. We appreciate the overwhelming support and cooperation of everyone.

Here are just a few reminders:

- Friday, April 10 and Monday, April 13 are NO SCHOOL days, as we continue to follow our 2019-20 School Calendar.
- Since there is no school on Monday, April 13, meal delivery will take place on Tuesday, April 14 instead, following the same schedule.
- The next scheduled *pickup* day for instructional materials is Thursday, April 16 from 3:00-5:00 pm at both CE Jacobson Elementary and the High School. This process will follow the same format that was previously used.
- The next scheduled *delivery* of materials is Friday, April 17, 2020 at the previously designated stops and times.
- Our playgrounds at the elementary school are closed to the public until further notice. Thank you for understanding.
- We recognize some of the challenges that we have faced with Schoology and will continue to work through this process.
- We appreciate your continued patience with us as you and your children continue to work and reach out to your teachers with problems and concerns.
- We also want our Rush City High School seniors to know that we are especially thinking about you during this difficult time. Your principal will continue to communicate with you in regards to end of the year celebrations.

Stay well,

William Campbell  
Superintendent
