

As per the Executive Order issued by the Governor Abbott of Texas, Menard ISD will be closed but providing home based learning through May 1st. We will provide meals during this closure on Mondays and Thursdays from 11:30-12:30 at the elementary & junior high. We will have packet drop off and pick up April 7<sup>th</sup>, April 14<sup>th</sup>, April 21<sup>st</sup>, and April 28<sup>th</sup> at your child's campus from 11:30-12:30. It is imperative that your child is completing these packets. The home based learning documents will be used to determine mastery of grade level and/or course credit. Please contact the teachers by Remind or email if your child needs help. The teachers have also set up other forms of communication to help. The teachers are here to help you during the week.

Thanks to all of you for the continued effort for our school, students, and community. We will all need to work together and with our neighbors.
