March 16, 2020

Dear Bulldog Parents, Patrons, Students and Staff,

Based on guidance from medical professionals and the recommendations from local and national authorities, the Brookfield R-III School District will cancel all classes beginning on Tuesday, March 17, 2020. School will be cancelled for at least three weeks. We anticipate a return date of April 6. We have taken this action to support our nation's effort to flatten the spread of the COVID-19 coronavirus and for the safety of our students, staff and community.

We are also cancelling all extra-curricular events including practices and games. Visitors and students will not be allowed on campus for any purpose while the school closure is in effect.

Over the next few days we will be developing strategies to deliver educational resources to our students so that they can remain engaged academically. When those plans are in place, instructions will be communicated to parents and students through email, text and other electronic means on how to access the materials.

Additionally, we are investigating means to deliver food service to students in need. When those plans are in place, we will communicate to students and parents through email, text and the school website on how to receive those services.

I appreciate your patience through this trying time. This is an unprecedented time in our nation's history, and we are all going to have to do our part to ensure we get through this and emerge as an even stronger nation and community.

Sincerely,

Kyle Collins, Ed.D
Superintendent, Brookfield R-III
