Learning Support Teachers Special Education Title I ELL	<ul style="list-style-type: none"> ● Special Education students will receive access to enrichment opportunities appropriate with their needs. ● Communicate with and provide timely feedback with our students. <ul style="list-style-type: none"> ○ Communication will be via phone or email. ○ Communicate with their school principal, other school staff members, parents and students as necessary.
Counselors	<ul style="list-style-type: none"> ● Serve as a liaison for communication with students/families in crisis. ● Provide resources for students and families to support them while they are away from school (i.e., social and emotional supports and resources).

Student Roles and Responsibilities

- Establish daily routines to engage in the enrichment learning opportunities teachers will be providing on a weekly basis.
- Identify a space in your home where you can work effectively (by the student as age appropriate)
- Engage in learning activities with academic honesty.
- Comply with Boone Central's Internet Safety and Acceptable use guidelines.
- Communicate proactively with your teacher(s) if you need additional support.
- Regularly monitor your email and/or online learning platforms (e.g., Google Classroom, Seesaw, etc.).

Parent Roles and Responsibilities

- Establish routines and expectations.
- Define a physical space for study.
- Monitor communication from your child's teacher(s).
- Monitor online activity of your child(ren).
- Take an active role in supporting the learning of your child.
- Budget approximately 8-10 hours a week (6-8 hours in elementary) for students to engage in these enrichment learning opportunities.

Frequently Asked Questions and Answers:

How will my kids be able to participate in enrichment activities provided by the school?

All students and/or parents will be contacted by their teacher(s). We will be gathering feedback needed to help us plan and prepare for providing enrichment learning opportunities. Once we have feedback from our families we will determine the best way to serve everyone's needs.

What is expected of my kids during the closure?

It is our hope that all parents and students will use the activities provided as an opportunity to continue to learn and participate in the educational process. Grades will not be taken. Teachers are working on ways to give students feedback. Middle School and High School students will be asked to budget approximately 8-10 hours a week. Elementary students will be asked to budget approximately 6-8 hours a week. Participation is not required, but will be strongly encouraged.

What is expected of me as a parent during the closure?

Please refer to the parent roles and responsibilities section of this handout. Additionally, it will be helpful to your child if you can provide a conducive learning environment at home for them to engage in their learning activities.

Will my students' enrichment activities be graded?

Although nothing will be graded during this time, teachers will be giving feedback in a variety of ways.

If I have a question about the enrichment activities, who do I contact?

Teachers will be available from 7:50 - 3:50 Monday through Friday. You can contact them via email, google classroom, etc... during these times.

Will the enrichment activities be specific to my child's needs?

Our teachers will be providing activities that are specific to their grade level. Activities will be focused on materials that have been previously taught throughout the year.

If I can't get the enrichment activities submitted online, how do I get it to my child's teacher?

Every Wednesday, drop-off and pick-up points will be at each building level office. Middle School students can drop-off and pick-up their weekly learning enrichment materials either in Petersburg or Albion. The office will be open on Wednesdays from 8:00 - 3:00. Other arrangements can be made, but please visit with your building level principal if you have questions.
