## NOTIFICATION OF DISTRICT-WIDE SCHOOL CLOSURE

**March 13, 2020**

As you know, events and developments related to the transmission of COVID-19, otherwise known as novel corona virus, have moved rapidly. Our district has worked very closely in consultation with Sacramento County Public Health, Sacramento County Office of Education, and the superintendents of the county's other twelve school districts in developing strategies and actions to respond to the transmission of the virus.

Recent events and concerns about student, staff, and public health have prompted all of Sacramento County's school districts, with the consultation and support of Sacramento County Public Health and Sacramento County Office of Education, to close schools for the next three weeks, March 16 - April 3. We will continue to evaluate conditions during that time to determine next steps. We know that this may present a hardship, and hope that you can appreciate the difficulty of the decision and the concern for student, staff, and public safety.

With school closure, there are a number of logistical issues that must still be resolved. We will be providing further information in the coming days and throughout the closure to keep our community informed.

Thank you for your support and understanding.

William Spalding

Superintendent, Galt Joint Union High School District
