

Finally Friday

1. NEW: Enjoy this special message from the C-L Elementary staff! <https://youtu.be/PKS3ezb0jll>
2. NEW: Email just to Seniors: Each senior will receive a senior email today from me and Mr. Aaron. Please read it carefully. You will receive one each Friday.
3. NEW: Students in 7-12: A request was made to me to send 7-12 students their own personal email on Fridays with words of encouragement from the administration. This week, Ms. Detrick, co-authored with me. You will be receiving it in your school email tonight!
4. NEW: Meal drop off is Monday: The next meal drop off is Monday! See you then!
5. The district was preparing, initially, to provide three days of meals. Due to current directives from the State surrounding the "stay at home" order and a systematic effort to limit the social interaction of staff, volunteers, and our community the district will be providing two days of meals at this time, with drop offs on Mondays and Thursdays. This has nothing to do with finances. These meals are federally funded. We apologize for any inconvenience that this may cause. Weighing the health of all CL families, we believe this to be the best decision for our community.
6. Seniors: The Priority First Federal Credit Union scholarship deadline has been extended to May 31, 2020. Please see the application on our website.
7. Continuity of Education: Next step for CL: We will be sharing our next step in providing review and enrichment opportunities for your children early next week.
8. PTO FUNDRAISER pick up. The PTO is happy to share that they have been able to schedule a time for your fundraiser items from Little Caesar's and Charval to be picked up **Monday, April 6th from 4:00 to 6:30 pm at Pisgah Church in Corsica.** (36 Church Street Corsica, Pennsylvania 15829) They will be doing a curbside pick up to minimize interactions. They will have a single car line and they request you do not leave your car. A PTO member will come up to your car asking for your child's name and will deliver the items to your car. Unfortunately, WE ARE UNABLE TO HOLD ANY UNCLAIMED PIZZA ORDERS. There will be no exceptions to this! We appreciate your patience in this situation. Please share to get the word out!
9. Elementary yearbooks: IF you did not order a yearbook and would like to order one, we have some available. They are \$12.60/book plus \$1.75 if you would like the zoom insert. You do not have to buy both. If you would like one (no money needed now), please email Kris Hamilton, the elementary secretary, at khamilton@clasd.net. She will reserve one for you.
10. Instruction: What we are providing below on these sites is considered **Continuity of Education**, specifically **Enrichment and Review**. These are considered adequate for PDE at this time. We may be required by PDE in the near future to have a **Continuity of Education plan**, called **Planned Instruction**. The administration staff is beginning to prepare for this which could include paper packets, online teaching by staff, mobile internet connections, and availability of technology for students, etc. Please continue to go to the sites as they are updated daily. These are optional activities. Your child's teacher may connect with you by their normal means of communication throughout this time, giving reassurance and ideas on the website to try.

- DO NOT TOUCH YOUR PHONE!
- When the van or bus approaches, maintain a safe distance, and send only 1 person to the stop to retrieve the food.
- Avoid physical contact with others. Maintain at least six feet of distance between yourself and others whenever possible. Do not congregate at the stops.
- Wait for the volunteer to return to the van after placing all bags on the table or ground before approaching.
- Only 1 person should approach the bags at a time.

On Thursday, our bus contractors/drivers will be taking along an essential staff personnel or a trained volunteer and running your child's bus route, all to deliver the breakfasts and lunches that have been being provided to you from the CL HS lot and the Clarion Elem school. School districts in our area are all doing different things. Be assured that what we have in place for education, pending the April 9th return is PDE approved. Honestly, if you have any?'s that are not addressed in these evening emails, please email me and I will respond. I care about every student, every parent, every grandparent, and every staff member. If it will relieve anxiety on your part or your child's part, I would be happy to answer your question. Everyone has been great. Many have sent "thank you" emails for the open communication. Some have asked questions and I address them in the nightly email to everyone. The C-L team cares and we are here to alleviate any anxiety.

*One rumor I heard was that if students do not do any of the "optional" work being provided on the 2 websites, they will fail. This is absolutely false.

March 23, 2020 – Coronavirus update

Happy Monday C-L Lions!

1. Well, we just got word at 2:00pm from Pedro Rivera, Secretary of PA Education, that schools will remain closed now thru at least April 6th. To be transparent and factual, I am attaching his letter to the Superintendents for you to read. Information on technical assistance from our IU to help develop continuity of education plans for all students will be shared with the Superintendents tomorrow. As always, I will inform you of developments. In the meantime, please access the websites below.
2. We would like to thank the parents who braved the cold, rainy weather today, placed their children in the car, and took a ride over to the C-L HS to pick up breakfast and lunch for 3 days. Remember, ANY C-L resident ages 2-18 qualifies! C-L will be doing this again on Thursday between 11:00-12:30. Hope to see many more of your smiling faces! Don't forget: Clarion Elem is also a site for you to go to and they are open every day.
3. Elementary site for educational parental/student support: <https://sites.google.com/a/clasd.net/ehockenberry/parental-support>.

Soon, we will have other teachers and other staff participating too! Check it out! (Vote now for the one of the 2 choices of books for Mrs. Taylor to read tonight.)
8. Teachers missing students and students missing teachers: Although I will continue to be the main point of contact for the district with a nightly email to you, teachers are able to communicate with their students via Remind, Class DoJo, etc. The communication is for giving them ideas and for letting them know they care. Please refrain from asking teachers specific questions such as: When will we be back? What do you think of all of this? Questions like that. Teachers have been directed to only give learning ideas and activities to keep their students' brains moving. No mandatory assignments yet. There should be no back and forth, teacher to parent, teacher to student conversations.
9. I still do not have answers to: Graduation? Prom? When I have answers, I will communicate them to you.

Take care everyone! Mrs. Glasl

We Are Roaring With Pride!

March 23, 2020
Dear Colleague,

This afternoon (March 23, 2020), Governor Wolf will issue a stay-at-home order for seven counties in Pennsylvania (Allegheny, Bucks, Chester, Delaware, Monroe, Montgomery, and Philadelphia).

Under Governor Wolf's order, personnel at our educational entities in all 67 counties who are providing life-sustaining services, including, but not limited to: administration, food preparation and distribution, housing, security, information technology, building maintenance, and operations (e.g., payroll) can continue to be deemed essential and **are permitted to continue their work**, provided they adhere to social distancing guidelines.

In addition, the Department of Education (PDE) announced today all schools in the commonwealth will remain closed through at least April 6 as a result of the COVID-19 response efforts. The closure order could be extended beyond April 6 if necessary to save lives and stop the spread of COVID-19.

Under the new timeline, school buildings would reopen on April 7 for two days to allow school administrators, teachers and other staff time to prepare classrooms, set up cafeterias, schedule transportation and arrange other business operations. Students would return to school on April 9, unless extending the closure is needed in response to the situation with the virus at that time.

To assist schools during the extended closure, the state's 29 intermediate units are ready to provide technical assistance to help develop continuity of education plans for all students beginning tomorrow, Tuesday, March 24.

Additionally, we are cancelling standardized testing for students in career and technical education (CTE) programs for the 2019-20 school year. These include exams from the National Occupational Competency Testing Institute (NOCTI) and National Institute of Metalworking Skills (NIMS).

I appreciate your patience and flexibility as we navigate this unprecedented time together and thank you for your dedication to serving and supporting your school communities.

-Pedro

March 17, 2020 – Coronavirus update

Good Evening C-L Lions! I am "on time" with my email tonight. Yay!

1. I encourage everyone to read this tweet: The PA Department of Health tweeted this on 3/16/20, 2:15 PM

"We've received questions from parents who would like to know if children can participate in play dates or sleep overs while off from school from #COVID19. The simple answer is NO. Encourage kids to play outside in the backyard, go for a family walk + video chat with friends."

2. Will the school be sending home or providing packets of work for our children? During these 10 days off we have been directed by PDE to NOT engage in any teaching of any kind. However, if the 10 days is extended, our district administration will certainly consider this. We just need to be sure that is not seen as a mandate but it is seen as a way to help your kids keep up with their skills. Again, I encourage everyone to go to this site that Mrs. Hockenberry has set up. <https://sites.google.com/a/clasd.net/ehockenberry/parental-support/coronavirus-information> PLEASE NOTE: Once on the page, look to the left hand side and hit "ELA and Math resources" for educational support and scroll down to see printable worksheets and many other ideas.

3. Food Options:

#1: The Giving Tree and Family Friendship Bag programs plan to travel to local neighborhoods for drop-offs between 11-Noon on Tuesdays while schools are closed. They also plan to host a Friday pick-up starting at 10 AM while supplies last at

Asbury Church (on 322 near C-L School Road sign).

#2: Clarion First Presbyterian Church will be offering free take-out chicken dinners tomorrow, Wednesday, March 18th starting at 5PM.

#3: The Brookville Food Pantry (814) 849-0818 is available.

#4: Community Action 30A S Sheridan Rd., Clarion, PA Open: Monday – Friday 8:30 a.m. – 4:30 p.m. can be contacted.

March 16, 2020 – Coronavirus update

Good evening C-L Lions!

Today was a day of collaborative planning by C-L essential personnel. I'd like to address some questions. I now have answers to:

1. My child's medication is at the school. How do I get it? If the nurse at either bldg. has medication that your child may need, you should have received an email today about where and when to pick it up.

2. Are these 10 school days going to have to be made up? This is still a question of unclarity. I do not have an answer at this time.

3. The 3rd nine weeks was to end on Friday, March 20th. Will this change?

Yes, this date has been moved to Friday, April 3rd.

4. Will the school offer free breakfast/lunch to my child? We have applied for a waiver from PDE to be approved to do this. Clarion Area School District may be assisting us in the process of feeding students. The earliest this will happen (if approved) will be Thursday at lunch time.

5. Is there another place in the area that will be giving out food packages? Yes. The Giving Tree and Family Friendship programs are partnering with local churches to get a food plan together for our families who need it during this time. More information will be shared soon.

6. My child has an online cyber class(es) in the C-L cyber program. Do they keep working on it? Your child's 3rd quarter date will be moved to April 3rd as well. Your child may work on their cyber class but they are not required to. Attendance for cyber classes will NOT be taken during these 10 school days.

7. Is the School Board mtg. still occurring this Wednesday night, March 18th? No. This board meeting has been rescheduled for Wednesday, April 1st.

8. What can my child work on while they are home to help keep their minds thinking? Here is a fantastic link that our counselor, Erin Hockenberry, has created. It includes webpages with wonderful online free educational resources. Also, on this link, you will find information on the coronavirus, and how to talk with your children about what is happening and resources on the coronavirus. This site will be updated daily. Please share this with your child. <https://sites.google.com/a/clasd.net/ehockenberry/parental-support/coronavirus-information>

9. What events have been cancelled? All sporting events and practices are prohibited due to PIAA ruling. All school facilities are also unavailable.

Finally, the Kdg. parent mtg., Meat Bingo, Night with Specials, Elementary Book Fair and the "Pops concert" may or may not be rescheduled.

Most of all, we miss your children. However, we must reiterate that their health and yours is of utmost importance to us. C-L will continue to follow the guidelines handed to us from the Dept. of Ed, the governor and the federal govt. I would like to close this evening's email with one very candid point that was reiterated today when the Governor and the President both spoke. That is: Please stay home. Do not go out of your house. Planning events and group get together's need to be eliminated. It will take dedication on the part of EACH of us to practice social distancing for this to come to an end. I ask you all to please stay home, wash your hands and stay out of contact with others.

Thank you!

Mrs. Amy J. Glasl

March 15, 2020 – Coronavirus update

Good evening Parents/Guardians:

I wanted to touch base with you before we begin our 2 weeks out of school tomorrow. (Monday 3-16-20). Only essential personnel will be in the district tomorrow. (Essential personnel are administrative positions.) This is a directive from the Governor. We will be meeting as a team tomorrow morning to make some decisions as the days progress. I am sure you have many questions. Right now, the superintendents don't have all the answers but we intend to work diligently to keep you informed.

I will be sending a district email every night at 5:00 pm with any updates or information that will help you. Questions you or your children may have are: Do we have to make up these days?, Will breakfast/lunch be provided during this time? Will the third 9 weeks extend 10 days?, I have medication my child needs; how can I get it?, My child is doing C-L cyber, should they keep working on it?, What can my child do academically while they are at home?. etc.

I ask you to be patient and trust our C-L team in getting you information each night. IF you MUST talk to an essential employee, I ask that you wait a few days until we are able to answer the general questions. If you need to call about something that is not conveyed to you in the next couple days by an email such as this, please call my office at 814-764-5111 ext. 312.

Keep your kids home as much as you can and take care of yourselves as well.

We are Roaring With Pride through this!

Mrs. Amy J. Glasl

March 12, 2020 - Coronavirus update

As events rapidly unfold around the Coronavirus outbreak, the administrative team is continuing to seek guidance from the PA Department of Health and the CDC. These organizations are enforcing hygiene measures for all to take: stay home if you are feeling ill and keep your children home if they show signs of sickness. There have been no mandates issued for school closings by government agencies as of today.

Field trips and events have been cancelled by the event hosts; the school advisors are in contact with these students and their parents. The administration continues to monitor future events at our daily meetings.

Extras measures continue to be taken by our cleaning staff to help prevent the spread of any bacteria.

Thank you for your patience as we deal with this crisis in the days ahead.

March 9, 2020 - Coronavirus update

The administration team met today to discuss the current status of the Coronavirus and the measures the district is currently taking. Students and staff are advised to continue to practice good hygiene practices by washing their hands. We as a district will continue to monitor information we receive from the Center for Disease Control (CDC) and advise you of any changes.

Updated March 4, 2020

Dear Parents and Guardians,

In the Clarion-Limestone Area School District the health, safety and well-being of our students and staff are our top priorities. With the recently elevated discussion regarding the coronavirus disease (COVID-19) in the news, we want to take a moment to reinforce preventive safety measures and reference our process and communications.

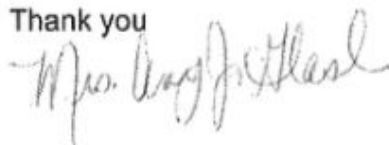

At this time, there have only been a small number of confirmed cases of coronavirus in the United States. As a school district, we are closely monitoring the situation and taking guidance from the Pennsylvania Department of Health and the U.S. Centers for Disease Control and Prevention (CDC). There is currently no recommendation to close schools in the United States.

We all play a role in reducing the likelihood of a coronavirus outbreak in our school district community. We encourage everyone to practice good habits, including:

- Wash your hands regularly, especially after using the restroom and before preparing or consuming food. Using soap and hot water, wash for about 20 seconds. Be sure to also wash your fingertips.
- Avoid coughing or sneezing into your hands or in the air. Always try to cough or sneeze into a tissue, and then throw the tissue away. If you don't have a tissue, cough/sneeze into your arm.
- As much as you can, avoid touching your eyes, mouth and nose.
- If children are feeling sick, please keep them home from school. Allow them some time to feel better so that they do not risk infecting others.
- A student must stay home until they are fever-free for at least 24 hours without the use of fever-reducing medications (Tylenol, Motrin, etc.)

If you have any questions, please contact Mrs. Amy J. Glasl, Superintendent at (814) 764-5111 or aglasl@clasd.net

Thank you
