

JCFA Family,

Thank you for allowing JCFA to continue to support your students during these changing times. In accordance with the Governor's emergency proclamation, all JCFA campuses are closed to students effective immediately. We hope to have students return in mid-April and will follow the Louisiana Department of Education for continued guidance.

Our first priority is to ensure the health and safety for all of our students, faculty, and staff. To do this, we are asking that no students come to JCFA campuses until we announce that the campuses are open to students. To retrieve any medication left on campus, please contact the front office to arrange a pick up time Monday-Thursday, 9AM to 1PM.

We are encouraging students who have access to the internet to continue working in their courses on Edgenuity. Teachers will be available via JCFA email and Edgenuity messages, as well as by phoning the campus, Monday-Thursday, 9AM-1PM. A copy of faculty and staff email addresses is attached to this email and available at www.JCFA.co. Teachers may be available Friday-Sunday at their own discretion.

To access Edgenuity courses, please go to: <https://www.edgenuity.com/login/> and select Student Login. All topic/unit tests will be bypassed, and cumulative exams will be taken when students return in April. Students are able to continue to work on instructional videos, assignments, and quizzes. If your student does not have access to the internet, please contact your campus and offline assignments will be provided upon request. If your student would like to have access to the notes in their binder, please contact your campus to arrange pick up or delivery of those materials.

JCFA wants to be a resource for our families during this time. We will maintain a presence on campus Monday-Thursday, 9AM-1PM to be able to assist you by phone. Services including instruction, counseling, and food service will be available as needed. Please contact your campus if there are any resources you or your student may need.

Additional information will be posted on Twitter @JCFAedu, our website www.JCFA.co, as well as on the Facebook pages for JCFA, JCFA East, JCFA Algiers, and JCFA Lafayette. Announcements will also be shared on Edgenuity.

At JCFA, while we may be joined by different circumstances, we are family always. If there is anything that we can do for our community please do not hesitate to reach out.

Warmest Regards,

Millie Manning Harris
Executive Director, JCFA
