

# Critical Need

## COVID19 and Donations

### Wickloset Basic Need Supplies Low

Hello Wickliffe Community and Lake County. Wickliffe City Schools and the Lake County General Health District are doing their best to meet the needs of students and their families during this trying time in Public Health History. Next week the Wickliffe Family Resource Center will be handing out educational materials, food, and hygiene kits for students and their families of the Wickliffe City School District. However, our stock of items are now running low and are limited. We are in desperate need of items to be donated and available to over 1400 students and their families for a longer period of time.

### We need the following:

Shampoo/Conditioner/Combo of Both  
Soap and Body Wash  
Toothbrushes  
Toothpaste  
Mouthwash  
Feminine Products  
Men and Women's Deodorant  
Household Cleaning Supplies  
Laundry Soap  
Dish Soap  
Toilet Paper  
Paper Towels  
First Aid Kits or Materials (Band-Aids, Alcohol, Antibiotic Ointment)  
Baby Diapers  
Baby Wipes  
Baby Formula  
Baby Food  
Baby Bath Soap  
Hand Sanitizer  
Hand Soap

If enough items are donated then Wickloset donations will be available to anyone in need once student family needs are met. Contact Gloria Swonger at the number below, or Joe Spiccia at 440 943-7736. Thank you in advance and stay healthy!
