Dear Parents/Guardians and Staff:

I hope this communication finds all of our Andover school families and staff enjoying their well deserved Spring break.

During the press conference held on Thursday, April 16, 2020, Governor Murphy announced that all NJ schools will remain closed through Friday, May 15, 2020. In an effort to provide clear and concise guidance to the members of our school community, please be advised that at this time the Andover Regional School District will be extending the school closure through May 15, 2020. All school activities will be cancelled through May 15, 2020.

Remote learning plans will resume on Monday, April 20th, and remain in effect throughout the duration of this closure. We will continue to reevaluate and assess the situation based upon current information and directives from Governor Murphy, the New Jersey Department of Education, and the New Jersey Department of Health on a weekly basis. Additional information will be shared with our community as it becomes available.

Thank you for your continued support as we implement remote learning plans for all students. Please reach out to your school Principal or my office with any questions or concerns.

Have a great weekend!

Sincerely,
