Our mission is to develop children who are confident and creative learners. We provide a rigorous curriculum and a supportive school environment that promotes high achievement, encourages personal growth, and meets the unique needs of each child.

School and District Office Phone Lines Open

All School Office and Educational Service Center Office staff are currently working from home during the closure. Our office staff's phone lines have been rerouted to ring through their laptops during their regular office hours. All District 68 staff are accessible by email as well.

Free Meals Update

Skokie 68 is offering free breakfast and lunch bags to anyone 18 years or younger Monday - Friday while schools are closed.

To get your free meals, all you have to do is find a school bus parked at the locations ([Meal Delivery Stop Map](#) and times included below) and let the District 68 employee know how many students you have that need meals. You can also continue to stop by Door #9 at right side of Old Orchard Junior High between the hours of 8:00-11:00 am if that is more convenient.

Starting Monday, April 6, 2020, our distribution stop at 4840 Foster is moving to the corner of Bronx Ave. and Greenwood St.

District 68 YouTube Channel

Looking for some inspiration or a story for your children? District 68 has created its own YouTube Channel to show off how some of our more musically inclined staff are passing their time making music for our students at home. In addition to staff musical performances we are featuring story time recordings made by staff members for our students to access from home. Please check us out and share with your students - [D68 YouTube Channel](#)

Check back often as we will be posting more videos on a daily basis!
