

Sunday, April 19, 2020

2:00 PM

- **Washington PreK and all elementary school** Continuous Learning Activities pick-up for the weeks of **April 20 and April 27** are **Monday, April 20 from 4:00-6:00 PM**. However, if you prefer to **download and print** the activities, they will be online by 5:00 PM on **Sunday, April 19**. If you have them available, bring packets from the weeks of April 6 and April 13 with a date of the completion of the activity in the box during the collection time for new activities. There will be a bin you may use to submit the previous activities. If students did not complete all the activities, IT IS FINE. You do **NOT** have to bring the actual activities, but teachers would love to see student progress. Some students may have sent activities to their teacher via email. Please remember Continuous Learning Activities **DO NOT affect a student's grade**. The purpose of Continuous Learning is to keep students thinking and problem solving and to give our students and teachers a chance to stay connected. The final packet pick-up for Washington PreK and all elementary schools will be **Monday, May 4**. The last day for Continuous Learning is May 8, 2020.
- Principals from every site in the district are in the office each **Monday, Tuesday, and Thursday** from **9:00 AM-12:00 PM** to answer questions or deliver packets curbside if you cannot come to the scheduled packet pick-up time.

Sincerely,

Shelley Arrott
Superintendent
Ponca City Public Schools
