Gloria Odden, Superintendent/Counselor  
Dayna Bartlette, Elementary and Secondary School Principal  
Donna Van Beek, Business Manager  
Robert Heidrich, School Board President

March 13, 2020

## **Information from the Strasburg School District regarding the Coronavirus (COVID-19):**

- ❖ We are monitoring the situation very closely, with continuous updates from the ND Department of Health and DPI.
- ❖ The signs of the Coronavirus are: Fever, Cough and Shortness of Breath
- ❖ Upon return of Spring Break we will be disinfecting interior surfaces such as door handles, sinks, bathrooms, water facets, water fountains, etc.... four times a day (upon arrival, 11:00 AM, 1:00 PM and at the end of the school day)
- ❖ We are disinfecting surfaces such as door handles, crash bars, etc....twice a day.
- ❖ We are disinfecting all bus seats after each use
- ❖ We are reminding our students about proper handwashing procedures. All students will be shown proper handwashing video from the CDC. Students will also be reminded to cough into their sleeves and not touch others.
- ❖ We will reinforce to students that panic and hysteria will not help.

We need your help with:

- ❖ Keep your child home if they are sick. For the remainder of the year we will no longer require a medical note for illnesses that keep your child out of school.
- ❖ Stay home from work if you are sick.
- ❖ Communicate with the school any relevant health information about your children.
- ❖ If you have visited a "Level 2 or 3" country recently, please follow the recommendations from the website below and notify the school.
- ❖ Reinforce the idea that panic and hysteria will not help.
