

April 2, 2020

Dear Memphis Street Academy Families,

PLEASE READ THIS ENTIRE LETTER CAREFULLY.

Beginning Monday, April 6, 2020 we will be asking Memphis Street students with internet access to sign on to Google Classroom to receive recommended virtual instruction from their teachers. Our teachers will be hosting at least one office hour daily of their choosing. Office hours will provide time for students or parents to get a quicker response from their teachers. Regular office hours will begin the week of April 13th. Outside of office hours, our hope is to respond to emails and phone calls within a 24 hour period during the school week.

Students may sign on to Google Classroom by following the instructions contained in the handout in this mailing. They may also access a video highlighting this process at:

<https://tinyurl.com/GClassroomStudents>

If you or your child have been in touch with his/her homeroom teacher by email and you have a device with internet access please make sure to do so immediately!

The email addresses are as follows:

If your child is unable to access the internet at this time, American Paradigm Schools (APS) will be providing learning resources by mail. These resources will be provided in the form of [learning packets for all students in grades K-8](#). The learning packets were created by iReady and Study Island.

An initial learning packet was mailed to all families on March 17th. A second packet was sent out on Monday of this week and should be delivered by the time you receive this letter. The resource packets will also be made available on each school's website. They can be downloaded and printed by parents or guardians. These two packets are also available on the Lindley website under the PARENTS tab, scroll to DIGITAL RESOURCES.

We hope everyone is in good health and spirits as we tackle this challenging time together, please do not hesitate to contact us via **email** with any questions you may have.
