

**\*The Summer Food Service Program (SFSP) is the meal program available during school closing or emergencies related to COVID-19. The guidelines are different from what we are used to. Just to inform anyone that may have questioned the meals.**

**\* We have 3 choices to serve for each day:**

1. A breakfast and lunch
2. A breakfast and snack
3. Lunch and snack

**\*\*Traditionally we will serve a breakfast and a lunch, but there may be days it will be a breakfast and snack or lunch and snack.**

Thank you,
