

## LPGE Food Service Plan During School Closure

Your local school district will be providing breakfast and lunch to students during the school closure beginning Wednesday March 18th and continuing through Friday March 27th. The important points for our families to know are as follows:

1. We have made application to the State to provide these meals free of charge.

2. Breakfast and lunch will be delivered at the same time once per day. The buses will run beginning at 9:00 a.m. and the Grab & Go Program will be open from 9:00 a.m. to 10:30 a.m. on school days.

3. Meals will be made available in two ways:

- A. We will use our school buses to deliver meals to each of their normal stops on the bus routes. This includes the in-town stops. Someone from the house will need to meet the bus and pick up their meals.

- B. A Grab & Go program will be set in the commons of the Secondary School and the lobby of the big gym of the Elementary School. School staff will distribute meals to those that come to the school.
