Dear PASD Parents and Students,

As we continue to deal with the COVID-19 national crisis, please refer to the following schedule for picking up requested paper and pencil enrichment and review packets from the high school and elementary school. Please note these times have been set up to ensure we are complying with all social distancing guidelines provided to us by the CDC, and to ensure the safety of all parents, students, and staff.

Please remember that these packets are for parents that have requested a hardcopy for their child to use. The packets are also available through email from your child's teachers.

The following times have been scheduled according to the student's last name:

A - H: 9:00AM - 10:00AM

I - M: 10:00AM - 11:00AM

N - R: 11:00AM - 12:00PM

S - Z: 12:00PM - 1:00PM

In addition to these pick-up times, please remember the following when coming to the school:

1. One person should enter the foyer area at a time.
2. When waiting to enter the foyer area, please maintain the 6 foot social distancing guidelines outside of the building.

Please note that the campus closes at 2:00PM each day, all gates and buildings will be locked at this time and will reopen the following day at 8:00AM. The first packet will be available for pick-up on Monday, April 6th. New packets will be available each Monday, with the exception of Monday, April 13, 2020, due to the Easter holiday. Packets for the week of April 13th will be available on Tuesday, April 14th. Weekly packets will be available until Friday afternoons at 2:00PM. Families may pick up packets for all children in their homes at one time.
