Superintendent

**COVID-19 Protocol
Prohibited Entry, Self-Reporting, and Social Distancing**

Decatur Public Schools prohibits employees and contractors from entering school buildings if they are displaying respiratory symptoms or if they have had contact or suspected contact with a person known or suspected to have contracted COVID-19. Additionally, all employees and contractors must contact the Superintendent if he/she has contracted COVID-19. The District implements social distancing and mitigation measures recommended by the Centers for Disease Control and Prevention and everyone must complete the “Workplace Health Screening” form before entering a building.
