

COVID-19 Announcement for School Closure

Parents,

Governor Abbott announced today that school districts will remain closed the remainder of the 2019-2020 school year.

We will continue to provide remote instructional materials as developed and implemented by each campus for the remainder of the year. Meal services will continue to be provided as developed and implemented each day.

It is extremely important for our community to take this virus issue seriously but not lose common sense. Stay home, wash your hands, and limit large gatherings are all things we must do to help prevent the spread of this virus.

Thanks, and God bless Lampasas ISD and our great community.
