Good Afternoon Barker Families,

As we have done throughout our continued closure of school we wanted to update you regarding an adjustment per Governor Cuomo's most recent executive order issued yesterday which states that all schools will remain closed until at least April 29, 2020.

The district will continue providing instruction, meals, and other required services for the duration of the school closure. You will be receiving a communication from Mr. Carter shortly related to our ongoing instruction.

Please stay safe and healthy!

Sincerely,

A handwritten signature in dark ink, appearing to be "JL Reimer", written over a horizontal line.
