Dear Robert Lee ISD Parents and Staff:

Robert Lee ISD remains in close consultation with the ESC 15, Texas Education Agency, Department of State Health Services, and other public health experts to monitor the Coronavirus. Please know that the safety and health of our students, staff, and community is our highest priority.

Amid ongoing concerns regarding the spread of the Coronavirus, Robert Lee ISD is extending spring break for students through the week of March 16 – March 20<sup>th</sup>. This is a proactive measure to help mitigate the concerns associated with this virus. This was a very difficult decision and was not entered into lightly. Robert Lee ISD has attended many conference calls with both state officials and other school district officials. We feel that this extension is in the best interest of our students and community. School activities including athletics, practices, clubs, and extra-curricular activities are cancelled until further notice.

District office staff, campus office staff, technology staff, and maintenance staff should report to work on March 17<sup>th</sup> from 9:00 to 3:00. Teaching staff should report on March 18<sup>th</sup> and 19<sup>th</sup> from 9:00 to 3:00. Staff will be informed during the week if staff members are to report on March 20<sup>th</sup>.

This dynamic situation is constantly evolving and Robert Lee ISD will provide updates as needed via our website at [www.rlisd.net](http://www.rlisd.net), and our district Facebook page. Please check our website in the upcoming days for information about attendance, mitigation, schedules, and any other Coronavirus information.

Sincerely,

Aaron Hood  
Superintendent
