March 3, 2020

Dear Cavalier Families,

With thanks to the Centers for Disease Control and Prevention (CDC), and the Carrollton Public School District would like to provide this information and guidance to you regarding the Coronavirus, also known as COVID-19, a respiratory illness caused by a new virus. Stopping the spread of the virus through everyday practices is the best way to keep people healthy. More information on COVID-19 is available [here](#).

Please review the common-sense preventative actions that can assist in keeping your children healthy.

- Please keep your children home when they are sick
- Reminding them to appropriately cover coughs and sneezes
- Clean frequently touched surfaces
- Reminding them to wash their hands often, ensuring handwashing strategies include washing with soap and water for at least 20 seconds or using a hand sanitizer that contains at least 60% alcohol.

Steps being followed by the Carrollton Public School District:

- Review and update our emergency operations plan (EOP)
- Monitor absenteeism
- Share information with health officials and other school districts
- Review procedures for students/staff who are sick at school
- Review and perform routine cleaning practices
- Routinely communicate with our schools, parents, and community
- Review CDC's guidance and share their resources

Though it is our hope that we do not have to face this issue on a local level, we will continue to share information with you, working together to keep our children safe. Thank you.

Sincerely,

Rachel D. Snell
