Dear Parents/Guardians:

We hope that you and your family are doing well and please know everyone is in our thoughts and prayers!

We want to keep you updated with the most recent developments regarding COVID-19 as it relates to school districts. This morning, Pennsylvania's Governor, Tom Wolf, and the Secretary of Education, Pedro Rivera, announced that all K-12 schools will remain closed for in-person instruction for the remainder of the 2019-2020 academic year.

Elizabeth Forward School District will continue with Virtual Instructional Days for the remainder of the 2019-2020 academic year. Depending on social distancing and the stay-at-home mandate, we will continue to monitor end-of-year events for students. We realize that your student may have personal belongings in school. At this time, we must support the Governor's request to stay-at-home and students will have the opportunity to obtain these belongings at a future date.

Thank you for your patience and understanding during this challenging time. As additional information becomes available, we will keep you updated. We are EFstrong!

Respectfully,

Dr. Todd E. Keruskin
Superintendent of Schools
