“The Bulldog Way”

Striving for the Best, We Rise Above the Rest

Bulldog Nation,

I would first like to thank all Bulldog students, teachers, staff, parents and caregivers and patrons for your exceptional support as we have trekked through this national crisis over the last few weeks. It was my hope that I would be able to announce some promising news about us being able to finish the 2019-20 school year. However, unbeknownst to us, the Governor announced that he is ordering all schools to remain closed for the remainder of the school year.

This news will now bring with it a variety of the questions that we will be addressing in the coming days, including items such as Graduation, Prom, Kindergarten /Preschool registration, enrollment, scheduling of classes for the 20/21 school year and if or when summer school will be held. We encourage you to stay connected to our social media pages and web page as we will provide updates and announcements as they become available.

Even with this extended closure we will continue to move forward with our Alternative Methods of Instruction through the end of the school year on Thursday, May 21, 2020. Please know that our teacher and staff will continue to update and adjust teaching and learning approaches. In addition, we will continue to support our students and families by offering breakfast and lunches at least until the end of the school year. Thanks for all your continued support.

Stay Safe,

Matt Unger, Superintendent
