March 16, 2020

In light of public health guidelines issued by Gov. Gavin Newsom, Brittan School District will closed beginning Tuesday, March 17. Brittan will remain closed at least through April 20. Spring break is scheduled for April 10 through April 17. We will continue to monitor this situation very closely, and we will update our community and school families should there be an extension to the closure period following spring break.

This decision was not taken lightly. We have consulted carefully with local and state health officials throughout the past weeks. Gov. Newsom's guidelines related to limiting public activities made closure the appropriate action.

We also are working to provide optional academic learning opportunities to help students keep learning during this closure period. Specific information on these academic learning opportunities will be announced on our website and by email. Please remember to follow all procedures to safeguard your health and that of your family. For more information on these safeguards and on the COVID-19 virus, please visit <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>
