Dear Kit Carson Elementary and Mid Valley Charter Parents & Community,

We realize the amount of information coming from all levels has been overwhelming, including those you have received from Kit Carson Union Elementary School District. Please know, our communications are intended to keep you up-to-speed on all that is unfolding with our schools in light of the Novel Coronavirus pandemic.

On April 1<sup>st</sup> during Governor Newsom's Press Conference, he clearly stated, "...the expectation is that schools not reopen." The Governor did go on to emphasize school is not out for the year, students will not return to their physical school site buildings, but learning will continue by way of distance learning (grade level packets). With that being said, **Kit Carson Elementary and Mid Valley Charter school sites will be closed for the remainder of the 2019-2020 academic school year.**

As we move forward, we will continue to provide our meal service and distance learning opportunities (grade level packets). Please remember, contact and learning support from your child's teacher will come in many forms – phone/text message/email. Please consider accepting calls from unknown numbers as teachers may be attempting to reach your child.

As a reminder, teachers are updating their classroom websites that are linked to the Kit Carson School website at [www.kitcarsonschool.com](http://www.kitcarsonschool.com). If students have access to a computer and internet connection, teachers have posted a variety of activities.

We will continue to communicate through phone/text message/email, our Facebook/Instagram page and on our district website [www.kitcarsonschool.com](http://www.kitcarsonschool.com). If you are having any trouble receiving the messages or accessing the website, please email Mrs. Jones at [rjones@kitcarsonschool.com](mailto:rjones@kitcarsonschool.com).

As we look to the future, Kit Carson Union Elementary School District plans on resuming classes on August 12, 2020. Thank you for your continued understanding and support. Please stay healthy and know we are thinking of our students and families.

Sincerely,

Robin Jones  
Superintendent/Principal
