

Dear District 161 Staff and Families-

As you are aware, the Governor originally mandated a statewide suspension of in-person instruction through Tuesday, April 7 with school resuming on Wednesday, April 8. As the spread of COVID-19 continues throughout Illinois, Lincoln Way District 210 and Summit Hill 161, along with other local elementary districts have agreed it is in the best interest of our students' safety for our districts to remain closed through April 10. Since April 13 is a holiday on our calendar, we will remain closed at least through April 13. As the Governor continues to monitor the situation, additional days may be added beyond April 13. For now, our district is prepared to provide remote learning throughout this time frame - and beyond - if needed.

Sincerely,  
Supt. Barb Rains
