Good Afternoon Barker Families,

As of yesterday, April 16, 2020, Governor Cuomo announced the extension of NYS on Pause and as such, the Barker Central School District will remain closed through at least May 15, 2020.

As we have done throughout this entire situation, instruction and learning will continue until we return to school. To support this learning technology continues to be available for all of our students. If you have questions or needs related to technology, please do not hesitate to contact us by calling the Jr. Sr. High School or Pratt Elementary main offices and leave a message with your needs and/or questions. Your call will be returned as soon as possible.

Also, please remember that the district will also continue serving meals every Monday, Wednesday and Friday between 4 and 6 pm. Meals are distributed in the District Office parking lot. Please note that all students are able to receive these meals, free of charge.

We hope you stay safe and healthy.

Sincerely,
