

Statement Regarding Extension of Coronavirus-related Cancellations

April 15, 2020

In keeping with Governor Bill Lee's recommendation this afternoon that Tennessee schools be closed through the end of the school year, Lakeland School System will also remain closed through the end of our scheduled year. We remain grateful to our students, parents, teachers, and staff who continue to work hard to be sure we are as ready to return to school as possible in the 2020-21 school year. We will also continue to communicate with parents and students regarding end of year procedures and, if possible, the rescheduling of end of year events.

A majority of our students are regularly utilizing our remote learning resources, and our teachers and staff will continue to work hard to be sure those resources are available to students. Regardless of when we return to school, our educators are prepared to meet students wherever they are academically as we do every year.

We thank our Lakeland School System stakeholders for their support and flexibility during this unprecedented time.
