Tim Dotson
Superintendent

Ken Herz
Board President

Dear Limestone Walters Families,

As many of you are aware, Governor Pritzker announced that Remote Learning in Illinois will be **extended through April 30** in order to slow down the spread of COVID – 19.

Limestone Walters continues to be closed to the public. However, we want to assure you that our commitment to learning and education will remain open and learning will continue for all students – just in a different format.

Listed below are a few additional details that will apply through April 30th.

- **Remote Learning** – My thanks to all the K – 4 parents that came to school on April 1 to pick up electronic devices – what an outstanding turnout! A Remote Learning Guide that outlines instruction can be found on the district website. Keep in mind that Remote Learning is new to all of us – including our staff. During this journey our staff intends to see what is working well and what we can improve. Should you have any questions, please reach out to your child's teacher just as you would if we were operating normally.
- **Lunch Deliveries** – We will continue to deliver lunches through the mandated closure on Mondays, Wednesdays, and Fridays. However, due to **Good Friday on April 10**, we will not deliver on that day. Families are still welcome to sign up at the following link: <https://forms.gle/yu4LVvedixpRCffaA>
- **Campus Facilities** – We ask that during this mandated closure, you refrain from using the playground, track, and ball diamond. We all need to follow the recommended social distancing guidelines and this applies to our playground, track, and ball diamond. By all of us doing our part, we can “flatten the curve” and protect each other.

I know this is not the school year that any of us imagined, but I want to thank you for your patience and understanding as we have dealt with this unprecedented situation together. It's important we continue to work together and support our students.

Be encouraged, be informed, and above all – be safe!

Sincerely,

Tim Dotson, Superintendent
