

April 17, 2020

Dear MCS Students and Families,

Another week of the COVID-19 closure has come to an end! I hope you're all hanging in there and doing the best you can. This is getting really old, isn't it?

School Closure Extended through Friday, May 15th

Governor Cuomo announced yesterday that all schools will now be closed through May 15th.

School Provided Meals

Our meal program will return to daily delivery beginning Monday, April 20th. Please continue to contact Mrs. Green with any meal program changes.

Materials Exchange

The next materials exchange is **Tuesday**, April 21st. Learning materials will continue to be exchanged during the scheduled meal delivery starting at around 11:00am.

Online Learning

Scheduled Google Meets will resume starting Monday, April 20th. Please contact your teachers if you have schedule questions. All other online learning activities will continue as well.

School Event Cancellations

Sadly, we have had to cancel this year's prom, scheduled for May 9th and our high school trip to Boston scheduled for May 15th.

Please continue to regularly check for updates on the school's website and Facebook pages. We are also using a new parent email list to distribute information. If you have not been receiving emails from the school, please contact Mrs. Sharon Stone at stone@minervasd.org so she can update our email distribution list. Thank you for your continued patience and understanding during this challenging time.

Stay healthy all.

Sincerely,

Timothy F. Farrell
