Good Afternoon Families of Students in Grades K to 8,

Before Spring Break begins, I want to share a few updates and changes to our Remote Learning process, based on the feedback we received from the survey we sent out last week.

First, we have decided to give our students access to a new Google tool, called "Google Meet". This tool allows students to communicate with their teachers via Live Video Conferencing. Please take the time to read the Norms which should be followed when using this new tool.

Here is the link to the

Norms: [https://docs.google.com/document/d/1\\_nEMn1EdPYfKIPnNjI1IAhN0C28v6UOFZdNr9FNYPtY/edit?usp=sharing](https://docs.google.com/document/d/1_nEMn1EdPYfKIPnNjI1IAhN0C28v6UOFZdNr9FNYPtY/edit?usp=sharing)

Please make sure your child(ren) watch the short video created by our Tech Coach, Mr. Jake Neary.

Second, you should have received an electronic flyer announcing Virtual Spirit Week which will take place next Tuesday through Friday. Send pictures of your child participating in Spirit Week to [loganproud@logantownshipschools.org](mailto:loganproud@logantownshipschools.org) by 2 PM each day and then look for a School Messenger with photos of our students every day next week at 3:30, beginning on Tuesday.

Third, we were thrilled that over 200 students received Chromebooks yesterday, which should definitely help those students become more successful with Remote Learning.

Fourth, Report Cards for the third marking period will be available as of April 30th.

Finally, tomorrow begins Spring Break. It is my strong recommendation to have your child(ren) pull away from their computers and school work beginning tomorrow and running through Monday. School work should resume on Tuesday, April 14th.

Please stay safe, healthy and adhere to Social Distancing guidelines.

Sincerely,

A handwritten signature in blue ink that reads "Patricia L. Haney".
