Re: Extended School Closures, June Regents Exams, Secondary Grading

Dear Miller Place School District Families and Staff:

I hope this letter finds you and your loved ones safe and in good health.

This afternoon, Governor Andrew Cuomo announced that **statewide school closures have been extended an additional two weeks through April 29, 2020.**

Additionally, New York State Board of Regents Chancellor Betty A. Rosa announced today the **June 2020 Regents Exams are canceled.** We expect guidance on graduation standards will be issued to school districts, by the NYS Board of Regents, tomorrow afternoon.

Information on revised third and fourth quarter grading for North Country Road Middle School and Miller Place High School students will be provided tomorrow, April 7, 2020, by Mr. Sean White, Assistant Principal and Director of Guidance, via a Connect Ed message.

As I continue to mention, during this time of extended school closure, it is **vital** for community members to continue practicing social distancing in an effort to hopefully end the spread of COVID-19.

We will continue to communicate with you to update you accordingly as confirmed information becomes available.

Thank you for your continuing support and patience during this unprecedented time.

Sincerely,

Dr. Marianne F. Cartisano
Superintendent of Schools
