RE: **Extended School Closure**

Dear OEISD Family,

In accordance with the executive order issued by Governor Greg Abbott, OEISD will remain closed through the remainder of the school year. Remote instruction will continue via paper and online formats.

Guidance from the Texas Education Agency is forthcoming and will be shared as it becomes available. TEA's guidance is expected to include answers related to graduation. OEISD would like nothing more than to be able to move forward with celebrating our senior class and their many accomplishments. We are extremely proud of our seniors' response to this unprecedented situation.

Student safety, staying connected, and the continuation of student learning remains our priority. OEISD is currently finalizing grading guidelines. Essential school business will continue during the closure. Curbside meals will continue as scheduled. Updates will be provided via our website and social media platforms.

Thanks again for your support in our efforts.

Respectfully,

Yolanda L. Carr
