April 21, 2020

Dear Wonewoc-Center Parent/Guardian,

This has been an extremely difficult school year since the middle of March. Students lives have been completely turned upside down and their daily routines of going to school each day has been altered to online learning. They have had a month of not being able to be with their friends, and continue their social life as they knew it.

Today, I am writing with some additional news. Governor Evers has extended the Stay At Home orders to continue through May 26, 2020. In addition, yesterday he announced the Badger Bounce Back. His plan to reopen the state involves two phases as of now. Phase one includes a leveling off and reduction of reported cases of COVID 19 for two weeks. He then will allow gathering of 10 or less people with social distancing. Phase two includes, again, a reduction of COVID 19 for two continuous weeks and then he will allow gatherings of 50 with social distancing. He will then determine exactly what has to happen so the state no longer has a Stay At Home order. In his latest statement he closed all K-12 schools for the remainder of the year. This closer goes until June 30, 2020.

This means that Wonewoc-Center students will not be returning to school this school year, and we will not be having the First Session of Summer School. We are contacting teachers to see if any of them would like to do an online Summer School class and I will keep you informed. This also means there will be no swimming lessons or summer recreation until the end of June. Students who have not completed on-line work will continue to work through June to get caught up. Students failing to do any of the work will be looking at the possibility of a full grade retention, or retaking a course during the 2020-2021 school year.

So, where do we go from here. Students will continue their present online instruction and classes through the end of May. Students who have not completed course work will need to do so by the end of June to get credit for classes. Students will receive grades for the online course work. All classes will receive letter grades and high school classes will have a GPA for the end of the year. The second to the last week in May students will take part in the MAP test. It is important that we know where they are academically so we can plan accordingly for next fall. This test is computerized and can be done at home. We will be sending out further directions on this.

Next, we will need to figure out a time schedule for students to come in and clean out their lockers and their desks. Attached you will find a link to a schedule of times

[https://docs.google.com/document/d/1irnizpBHmx\\_WTzvrJlchenxMKYq\\_Zodxwup7wlYr674/edit?usp=s](https://docs.google.com/document/d/1irnizpBHmx_WTzvrJlchenxMKYq_Zodxwup7wlYr674/edit?usp=s)  
haring. You will need to copy and paste the link. Please use this link to fill in times, or let us know if you want us to bag up your child's things. Remember, we cannot have any more than 10 people in the building at one time, and we must adhere to social distancing, so please come for the time period you signed up for. If a parent does not want to come into school to pick up their child's things we can bag them up and have them delivered with lunch the following day.

Janitors will begin their summer cleaning agenda next week.

The last week in May students will turn in their Chromebooks, Laptops, and Ipads and power cords. These can be returned by the bus that delivers lunch or families may bring them in.

Lunch delivery for students will continue through the end of May. In June we will be offering lunch, but there will be pick up points throughout the district. We will be getting that information out to you at a later day.

I have saved this for last because I know how disheartening this is going to be for our seniors. Graduation will be postponed until a later date. We are looking at the end of July or the beginning of August. I will be sending out a survey to seniors and their parents which will have several dates on it. We will then schedule according to those surveys. We will also be trying to schedule Prom, Fine Arts Night, and banquets that were postponed.

If we can be of any help please give us a call or e-mail us here at school. We are here everyday except Friday.

Sincerely,

Dr. Sharon Ennis

District Administrator
