April 1, 2020

Dear Peotone School District Students, Staff and Families,

I hope this message finds you and your families safe and well. Yesterday, Governor Pritzker announced that remote learning in Illinois would be extended through April 30 in order to slow the spread of COVID-19.

During this time, our teachers remain committed to your child's education and learning, just in a different format.

Nothing can replace the human interaction and relationships that are built between a teacher and their students. While it is not ideal, I want to assure you that at Peotone School District, our teachers and staff are fully engaged and willing to take on this new challenge and push forward with remote learning, engaging with students and continuing with our food distribution program.

This is certainly not the school year that any of us imagined, but I want to thank you for your patience and understanding as we have dealt with this unprecedented circumstance together.

Throughout this situation, we have, and will continue to be focused on three priorities:

- Provide for the safety, health and welfare of students, families, staff and the community at large.
- Communicate clearly.
- Provide for the continuity of learning for our students.

It is important that we continue to work together and support our students. Thank you for everything you have done to support your children and our staff members.

Sincerely,

Steve Stein
