Cotton Picker Family,

I am writing to share with you the latest executive order by Governor Abbott, which states that schools **will remain closed** the remainder of the 2019-2020 school year due to the COVID-19 pandemic. The executive order was issued to ensure the safety and well-being of students, educators, and families across the State of Texas.

I want to stress that our distance learning program, which includes online instruction as well as instructional packets, will continue through the remainder of the 2019-2020 school year. Students are still required to complete and turn in assignments as planned by teachers and administrators. It is especially critical that our Class of 2020 seniors successfully complete all curriculum requirements to participate in the July 3, 2020 graduation ceremony. Our grab-and-go meal service program will continue to operate on Mondays and Wednesdays from 10 a.m. to 12:00 p.m. at Driscoll, Lotspeich, Ortiz, and RECHS.

The entire faculty and staff are looking forward to the day our students return back to the classroom and resume our normal routines. Until then, we will continue our work together to support students, staff and families in the short and long-term. We will keep you updated as more information becomes available to share.

Sincerely,

Dr. José H. Moreno
