Assistant Superintendent

March 12, 2020

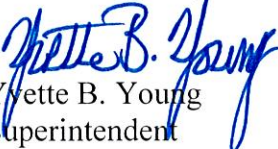

Greetings,

Leake County School District (LCSD) is highly concerned for the safety of our students, faculty and staff as it relates to the outbreak of the coronavirus. In an effort to avoid pandemonium, please know that we are taking precautionary measures to keep our schools safe. The district is taking advisement from MSDH (Mississippi Department of Health) as well as MDE (Mississippi Department of Education). Therefore, all athletic events, extracurricular activities and assemblies will be postponed until further notice.

As families return from travels over Spring Break, we ask that anyone experiencing flu like and respiratory symptoms stay home from school or work. This includes uncontrolled temperatures, difficulty breathing and worsening headaches. Please remain home until the fever has been gone for at least 24 hours. MSDH has asked that you visit your local doctor or clinic before going to the hospital.

We will keep you informed as we receive communications and directives from MSDH and MDE. Thank you for entrusting us to serve the students of LCSD.

Kindest Regards,

Yvette B. Young
Superintendent
