March 12, 2020

Brittan Families,

As of today, Brittan School District has not cancelled or rescheduled any scheduled school events. We are monitoring all upcoming field trips and school events on a daily basis to ensure our students and staff remain safe and healthy.

Tomorrow morning, March 13th, Brittan School District will participate in an all county conference call to discuss updates and next steps.

Sutter County schools are in a Phase 1 watch and monitor. As of March 12, 2020 there has not been a confirmed case of COVID-19 in Yuba/Sutter County.

In Phase 1 Brittan School District is:

1. Implementing additional cleaning procedures (as recommended by CDC).
2. Continuing to speak to students about hand washing, proper hygiene (covering coughs, using Kleenex) and not touching their faces (CDPH recommendations).
3. Working with the county health department and local school districts in implementing all updates and mandates.

We are cognizant this is an ever changing situation and we are all in information overload. We will, however, continue to update our families and community with recommendations, mandates, and next steps as we have them.

We wanted to assure our community that Brittan School District continues to monitor and respond to COVID-19 and our county health recommendations and mandates.

If you any questions please feel free to contact Staci Kaelin, superintendent/Principal at 822-5155

Thank you for your support.
