COVID-19 PANDEMIC UPDATE

From: Mrs. Giordano

Please be advised that as of Monday, April 6, 2020, Classical Academy ceased office operations from the site. The administrative offices are now working remotely at this time.

This measure is due in part from a recent report from a local Clifton health official who reported an increase in the number of COVID-19 cases in Clifton. To date, there are now 765 COVID positive cases and 17 deaths in Clifton. Based on incoming data, these numbers will significantly increase over the next few days.

Among our CACS community, 4 cases of "symptom" reports were identified. None of these cases have tested COVID positive to date. All individuals and their families remain in quarantine.

Nurse Robinson has released a health memo to our community. Please take the time to read and review this memo which provides beneficial guidelines for preventing the spread of this virus.

We will continue to update you on the developments of COVID-19 as it affects our community. Stay healthy and safe.
