April 1, 2020

Dear Parent (s)/ Guardian (s):

We hope this message finds you and your families safe and well. Yesterday, Illinois Gov. JB Pritzker announced that remote learning in Illinois will be extended through April 30 in order to slow down the spread of COVID-19.

We want to assure you that at Carlinville CUSD#1, our teachers and staff are fully engaged and will continue to push forward with remote learning, engaging with students and continuing with our food distribution program.

Over the next week, we will be working on summer school plans for those students that cannot or do not complete assigned work. This will likely take place at the end of July beginning of August. We will also finalize plans regarding grades, GPA, dual credit, AP courses and other academic specific areas that are impacted by this long-term school closure. Our plan is to share that information with you over the next week.

During this time, Carlinville CUSD#1 is committed to:

- Providing food and supporting the extended safety, health, and welfare of students, families, non-student children, staff, and community at large.
- Communicate clearly
- Provide continuity of learning for Carlinville CUSD#1 students

If you have any questions, need assistance, or would like to be included in our meal deliveries, please do not hesitate to call 217-854-9823 or email schuchmb@cusd1.com or gwillimt@cusd1.com.

I know this is not the school year that any of us imagined, but I want to thank you for your patience and understanding as we have dealt with this unprecedented situation together.

Respectfully,

Dr. Becky Schuchman, Superintendent
Carlinville CUSD#1

"Carlinville CUSD#1 will provide a comprehensive educational program for all students in a safe environment supporting and inspiring learners of today, while fostering global leaders of tomorrow."
