Rob Pedersen, Superintendent/K-4 Principal

Dr. Amanda Simonson, 5-12 Principal

STUDENTS/PARENTS:

Now that we have distributed learning materials either physically or electronically, hopefully all students have begun working on their educational requirements. Please try to stay in communication with your teachers for all your classes to make sure you are staying on top of your assignments and getting any needs met.

We do NOT want physical assignments turned in other than “curbside” once a week on **Fridays from 10:00 a.m. to 2:00 p.m.** Our plan is to have buckets outside the main door for each teacher for parents/students to turn assignments into. We will also station someone at the front main door to answer any questions that you may have. We plan on running our bus routes on Fridays as well at 10:00 a.m. to drop off any new learning materials and also to pick up any materials that a student has to turn in. **BUS STUDENTS: PLEASE LOOK FOR THE BUS ON THIS DAY SHORTLY AFTER 10:00 A.M. AND BRING YOUR ASSIGNMENTS/PACKETS TO THE BUS.** We also have cleaned lockers out for grades 5-12 and we will be distributing those materials as well.

You are responsible for completing and turning in all work that your teachers assign you.

Thanks for the great efforts! We miss you! ☺

Mr. Pedersen & Dr. Simonson

Plentywood Schools will graduate citizens who value respect, responsibility, honesty, compassion, and courage.
