Good Afternoon Barker Families,

As you may have heard, today Governor Cuomo extended the state mandate to close schools until April 15<sup>th</sup>, 2020. As such, the Barker Central School District will remain closed until further notice. The district will continue to provide meals for students that can be picked up every Monday, Wednesday and Friday between 4 pm and 6 pm in the District Office parking lot. We will also continue to provide continuity of learning for all of our students. Please continue to follow updates and information on the district web page as well as through other communications from the district over the next few weeks as we navigate through these unprecedented times.

Continue to stay healthy and safe.

Sincerely,

A handwritten signature in blue ink, appearing to read "JL Reimer", is written over a faint, larger blue ink signature.

Jacob L. Reimer
