The purpose of this memo is to inform you of what Comstock Park Public Schools is doing during these unprecedented times. As you know Governor Whitmer ordered all K-12 schools close until April 5, 2020. This effort was put into place to minimize the spread and potential risk of exposure to COVID-19.

We care about our families and want to assist in any way that we can. We will be sending out communication on an ongoing basis via the SchoolMessenger system. Information will also be posted on our website.

During our closure the buildings will be undergoing deep cleaning and sanitation process. Our playgrounds will also be sanitized.

Next week please look for an email from building administrators regarding resources for students to use while away from the classrooms. The resources are optional support and other mandatory assignments and homework will not be given.
