

Madisonville CISD COVID-19 Update
April 9, 2020

[En Español](#)

What's next?

Madisonville CISD plans to resume classes Monday, May 4, 2020. The situation will continue to be closely monitored with updates posted as any potential changes are made. During this time we will continue to provide drive-thru meals and learning at home opportunities. Please know we are here to help in any way we can. Contact your campus if you need assistance.

Changes beginning Monday, April 13:

Learning@Home

- Pickup and turn-in of paper packets are available weekday, Monday - Thursday between the hours of 8 am - 4 pm for the remainder of the closure. Marked boxes will be located at the front entrance of each campus. The High School location is the entrance to CATE wing (north entrance).
- Special Education modified and/or accommodated packets will be mailed out Tuesday, April 14.

Please be assured that any student who attempts to be successful and is willing to work will have full support from MCISD, no matter the method. If you need assistance please contact your campus.

Curbside Meals

- Available weekdays, Monday - Thursday between the hours of 11 am - 1 pm at the high school cafeteria's northside drive-thru lane for the remainder of the closure. Thursday's Grab & Go will include additional meals for Friday.
- Drive-thru service will only involve meal service. Paper packet pickup and turn in will be facilitated at each campus location mentioned above.
- Additional meal delivery locations include Midway Community Center, Bédias Civic Center, Oakwood Apartments, and Hope Circle.

Thank you for your assistance during this evolving situation. Updates will be posted as they become available on the district website.
