

Guidance for PreK-5th Grade Grading During School Closure

April 21, 2020

The impact of COVID19 on families and students is significant. Our goal is to provide students with a fair-minded system for grading to ensure students are not disadvantaged because of circumstances beyond their control.

Pass or Fail – 4th Nine Weeks grades will be reported as Pass(P) or Fail(F). A passing grade will be denoted as a “P” and a failing grade as an “F” on your child’s fourth grading period report card (March 16-May 21).
