

We realize that many families are being financially impacted by COVID-19 and may be facing a time of uncertainty until we as a country collectively return to normal.

Our organization may be able to bridge the gap for such families.

MCFS is a non-profit children's charity working for Texans.

We are able to provide funding for essentials like rent, food, and utilities during this time of crisis. We are in this together.

**In order to be considered,
families simply need to meet **3** requirements:**

1. Live in the state of Texas;
2. Have at least one child under the age of 21 living in the home;
3. Complete the application ([click here](#)) and return it to us at MCFS.

**Please share this email with anyone
who might benefit from the information.**

We are here to help!
