March 12, 2020

Dear Stamford Academy Families,

Stamford Academy submitted a waiver to the Connecticut State Department of Education to approve distance learning for students and staff. Tomorrow and Monday, March 13th and 16th, will NOT be distance learning days. These will be treated like traditional snow days and will need to be made up if the state does not provide a waiver to the mandatory 180 instructional days.

Once we receive an answer from the State, and if the distance learning waiver is approved, we will be communicating our plan to students and families on how to access distance learning.

In anticipation of potential distance learning, students will be coming home with print materials today and will also have access to instruction online via Stamford Academy's website.

This decision was not made lightly. The safety and well-being of our students and staff is our number one priority.

Sincerely,

Andrea Weller

Stamford Academy, Director
